Financial Assistance

Accessibility for all

Thanks to the generous donors of our [Annual Giving Campaign](#), we are able to make the Y accessible for all through our Membership For All program. The YMCA is a mission-driven, nonprofit organization that strives to ensure everyone has the opportunity to learn, grow, and thrive.

The YMCA's commitment to our community assures that financial assistance is available to those who qualify. Our **Membership For All** program is based on household income with a sliding fee scale designed to fit each family's financial situation. Household income may be shown with **a copy of your most recent Income Tax return (1040 or 1040a) to determine your monthly draft rate.**

Membership For All applies to YMCA memberships.
